STANFORD
BLOOD CENTER 

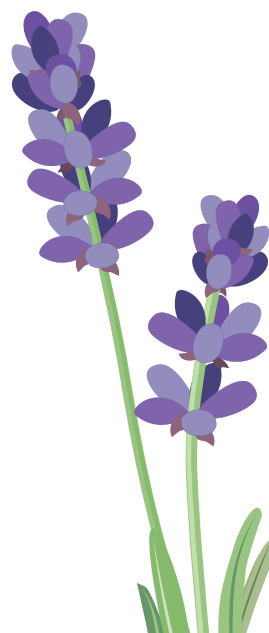

29TH ANNUAL

PRECIOUS METTLE
BREAKFAST

From Donation to Discovery

Dear Milestone Donors,

Thank you for your incredible generosity and unwavering support this past year. Your commitment has played a vital role in helping SBC achieve meaningful milestones — and, most importantly, in ensuring patients receive the lifesaving blood products they depend upon. In fiscal year 2025 (September 1, 2024 – August 31, 2025), SBC had 68,445 donor visits, supporting 94,121 transfusions, 536 solid organ transplants, and 269 bone marrow transplants.

Additionally, we provided more than 23,618 products for research, advancing science and medicine.

Each year, this event reminds us of something simple but powerful: your donation doesn't stop at the chair. At SBC, your gift goes so much further — not just saving lives but fueling the future of medicine. That's why our theme this year is "From Donation to Discovery."

Since our founding in 1978, SBC has been more than a blood center. We've been a partner in research and innovation. Thanks to donors like you, we've supported groundbreaking work in areas like stem cell biology, cancer immunotherapy, infectious disease, and transfusion science.

From our early role in HIV research, to helping lay the foundation for understanding COVID-19, you've been part of discoveries that have changed and saved lives.

And sometimes, the impact is immediate. Just this year, over 130 units of rare plasma collected by SBC donors were sent to be processed into BabyBIG — the only FDA-approved treatment for infant botulism. This therapy is lifesaving for the most vulnerable among us — and it wouldn't exist without you.

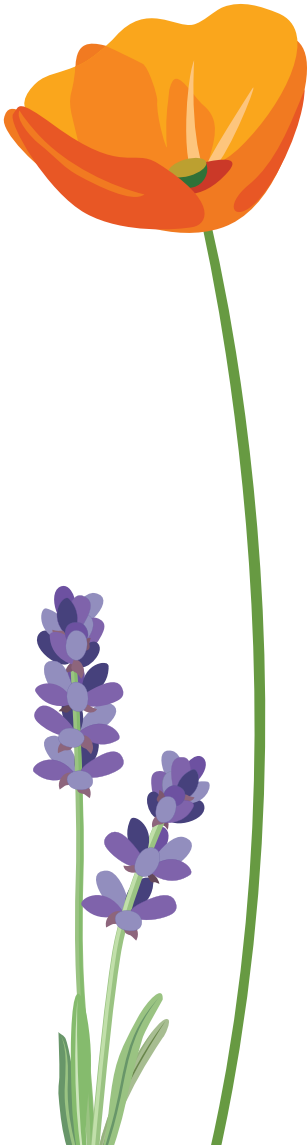

Today, we celebrate all of you who've reached major lifetime donation milestones. Your generosity has touched thousands of lives — patients, families, and entire communities.

As we look ahead, we know the need is growing. But so is our commitment: to build the next generation of donors, deepen our research partnerships, and ensure that every drop you give goes as far as it possibly can.

Thank you for your compassion. Thank you for your belief in this mission. And thank you for walking this path with us — from donation to discovery.

Harpreet Sandhu, Chief Executive Officer

THANK YOU!

A heartfelt thank you to our milestone donors for your incredible generosity and unwavering support. Your contributions have played a vital role in advancing our mission and making a lasting impact in our community.

Let us know what you think. Please fill out the survey before you leave today and place it on the tables. Group photos will be taken near the presentation stage.

SHARE YOUR STORY

Donors like you inspire us and others in our community every day! Share your story on social media or contact us on our website so we can feature you as well!
